

Sample RFP Document

Request for Proposal (RFP) Cybersecurity Infrastructure Assessment

1. Issuing Organization

New York City Department of Education (NYC DOE)

2. Project Overview

The New York City Department of Education is seeking proposals from qualified vendors to conduct a **comprehensive cybersecurity assessment** of its IT infrastructure.

The purpose of this engagement is to evaluate the current security posture of the organization and identify potential vulnerabilities across network systems, applications, and cloud environments.

The selected vendor will provide detailed recommendations and remediation strategies to improve the overall cybersecurity posture.

3. Project Scope

The selected vendor will perform the following tasks:

- Conduct a **network security assessment**
- Perform **vulnerability scanning**
- Perform **penetration testing**
- Evaluate **identity and access management controls**
- Review **cloud security configurations**
- Provide **risk analysis and remediation recommendations**

4. Deliverables

The selected vendor must provide the following deliverables:

1. Initial security assessment report
2. Vulnerability assessment report
3. Penetration testing report

4. Final cybersecurity risk assessment report
5. Remediation roadmap

All deliverables must include detailed findings and recommended corrective actions.

5. Required Skills and Qualifications

Vendors responding to this RFP must demonstrate experience in the following areas:

- Cybersecurity risk assessments
- Network security auditing
- Penetration testing
- Vulnerability management
- Cloud security (AWS or Azure)
- Compliance frameworks such as NIST or ISO 27001

The vendor must have at least **5 years of experience in cybersecurity consulting**.

6. Project Timeline

The anticipated timeline for this project is **12 weeks** from contract award.

Key milestones include:

- **Week 1–2:** Project kickoff and planning
 - **Week 3–6:** Security assessment and vulnerability scanning
 - **Week 7–9:** Penetration testing and analysis
 - **Week 10–12:** Reporting and remediation recommendations
-

7. Budget

The estimated budget for this project is **\$3,500,000**.

Vendors must provide a detailed cost breakdown including:

- Labor costs
 - Tools and software
 - Reporting and documentation
-

8. Submission Deadline

All proposals must be submitted no later than:

April 10, 2026 – 5:00 PM EST

Late submissions will not be accepted.

9. Evaluation Criteria

Proposals will be evaluated based on the following criteria:

- **Technical expertise and experience (40%)**
 - **Proposed methodology and approach (30%)**
 - **Cost proposal (20%)**
 - **Past performance and references (10%)**
-
